

Example Coach / Volunteer Role Description

1. To have sole responsibility for the facilitation of activity sessions for children and young people as and when required.
2. Ensure that the general attendance registers are completed as children and young people enter the various venues.
3. Supervise children when, on minibus, trips off-site at public performances etc.
4. When required, assist tutors to ensure the effective delivery of the children's programme.
5. It is advisable that coach/volunteer undertakes First Aid training and is qualified to administer First Aid when necessary.
6. To supervise and assist during the weekly activities for children – (this may involve providing assistance in the changing room environment).
7. In the event of illness or an accident, to provide emergency transport to hospital / home.
8. Ensure that the children and young people interact positively with each other - promoting the (Basketball Northern Ireland) Health and Safety Policy and ensuring it is adhered to at all times.
9. Attend Volunteer Team Meetings when required and any Volunteer Training Days as required.
10. Undertake Safeguarding awareness training

NB. In undertaking the above duties, volunteers will have substantial regular contact with children and young people.
